Testimonials

“

In the midst of these extraordinary times, along with all the associated confusion and uncertainty, the support and assistance that we have received from DUAL has been of great value.

The regular communication, guidance and advice received from DUAL Oliva's Construction team has provided some welcome consistency to both us and our clients leading up to and during lockdown, and, indeed, throughout the subsequent relaxation thereafter.

We consider DUAL Oliva to be a key market to Five insurance, and are very grateful for their continuing excellent service and help during this difficult period.”

Tom Taylor

Five Insurance Brokers Limited

“

Late on a Friday, a request came in for a quote on a large unoccupied block of apartments which were undergoing some renovations, with only a couple days until the client's completion date.

Lauren at DUAL Oliva was able to turn around a quote quickly and we received terms on the following Monday.

The service received was excellent, it helped us to secure a new client and we were able to provide them with the cover in time for their completion.”

Liam Godfree

Stephensons Risk Management Ltd

“

Thank you so much for turning around my two printers risks so quickly!

I feel you really pulled out the stops to get these done, and the resulting price was also good.

The product itself looks to have an excellent wording, which is so important with this trade.

It's nice to have the attention of an underwriter that actually makes the effort to win business and make brokers feel wanted in this current climate.”
