

DUAL Oliva Contractors Combined

DUAL Oliva Limited is very proud of its facilities which enable us to provide Immediate Quotations for a wide variety of Contracting Trades (see enclosed).

We pride ourselves in treating each proposal on its merit but do target those well run businesses typically with:

Turnover	Up to £25,000,000
Payments to Bona Fide Sub Contractors	Up to 75% of the Insured's turnover
Claims	Ideally running at less than 40% ELR over 5 years
Height	to 40 metres
Depth	to 5 metres

Features of the OLIVA Contractors Binder include:

- Lloyds A Rated Security
- Written on a non-adjustable basis (no additional premiums at year end)
- Professional Indemnity Extension automatically included dependent on trade
- Defective Workmanship Extension automatically included dependent on trade
- Financial Loss Extension automatically included dependent on trade
- PL Indemnity Limit of up to £10,000,000 is available
- Under the Contractors All Risks Section – high sums insured available for maximum contract limit, owned plant and fees paid for hired in plant
- Oliva DNA+ theft deterrent included on all own plant and tools
- Option available to add the following covers
 - Office contents, stock, computers and ICOW cover
 - D & O to £1M (can up sell to larger sums insured or stand-alone policies)
 - Legal Expenses with full contract disputes including construction contract disputes as standard
 - eIXtr included – the UK's premier online employment and Health & Safety legal information service provided by the experienced employment lawyers at Abbey Legal
- Oliva is able to write larger CAR Project risks under separate binder including existing property damage, ALOP or DSU, TPL, EAR and Plant so please send in your enquiries
- Proposal form not required as based on statement of fact although a plant list may be requested
- Claims are efficiently handled by specialist TPA claims adjusters
- Fast, efficient and flexible underwriters. We provide exceptional service standards.

Not all MGA's are the same
