

Engineering Protect

DUAL
OLIVA

Does your current market for engineering trades reflect how the sector has evolved and underwrite accordingly?

With a wealth of experience in dealing with metal-working and allied trades, we recognise the challenges faced within the engineering sector. This has allowed us to develop Engineering Protect, a specialist policy encompassing both Property & Casualty without compromising on cover and value.

Our risk appetite

Premises-based engineers with work away up to 30% of the manual wage roll.

Our target trades include although are not limited to:

- ✓ Precision engineers
- ✓ Steel stockholders
- ✓ Steel fabricators
- ✓ Press workers
- ✓ Toolmakers
- ✓ Manufacturers of metal products
- ✓ Sheet metal workers
- ✓ Metal polishers
- ✓ Metal coaters

Key features

- Exclusive wording only available from DUAL Oliva
- Direct claims reporting with our award-winning capacity providers
- Specialist knowledge of the industry
- Ability to write in conjunction with our separate aviation products liability offering
- Property section including full theft cover, stock at sub-contractors, exhibition cover, automatic cover for moulds, dies and tools as well as non-manufacturing machinery breakdown cover
- A wide selection of BI extensions including AICOW, book debts, customer and supplier extensions, essential employee cover and loss of attraction
- Occupational accident and computer breakdown including reinstatement of data and ICOW
- Legal expenses including contract disputes and a 24-hour advice line
- Optional extensions including Directors & Officers, engineering inspection, financial loss, full fidelity/theft by employee, 24-hour personal accident and terrorism.

What you can always expect from DUAL Oliva

- Contract certain terms ready to send to your client
- Swift turnaround in line with your client's deadline
- Minimum premiums start from GBP 1,000 +IPT
- Access to experienced underwriters offering a fast and flexible service.
