

Does your current market for engineering trades reflect how the sector has evolved and underwrite accordingly?

With a wealth of experience in dealing with metal-working and allied trades, we recognise the challenges faced within the engineering sector.

This has allowed us to develop specialist products encompassing both Property & Casualty without compromising on cover and value.

Our risk appetite

Premises-based engineers with work away up to 50% of the manual wage roll.

Our target trades include although are not limited to:

- ✓ Precision engineers
- ✓ Steel stockholders
- ✓ Steel fabricators
- ✓ Press workers
- ✓ Toolmakers
- ✓ Manufacturers of metal products
- ✓ Sheet metal workers
- ✓ Metal polishers
- ✓ Metal coaters.

Key features
